

HEALTH & SAFETY POLICY

Management System / Policies

Albert Bartlett, growers and packers of potatoes, are committed to providing value added products in such a way that it minimises the impact of their activities on the Health, Safety and Welfare of its employees, contractors, visitors and the general public.

Albert Bartlett & Sons Ltd. health and safety management system has been built-up to ensure that good working practices and standards are developed, maintained and improved where possible, by a combination of the best professional and technical advice available in order to achieve our objectives:

In particular, Albert-Bartlett undertakes to:

- Meet legal requirements and regulations, by creating and maintaining high standards for all working environments by implementation of statutory requirements and taking into consideration other relevant accepted standards of good working practice.
- Provide systems of work that are reasonably practicable without risks to health. Assess tasks to limit (in so far as is reasonably practicable) the risk to our employees.
- Provide safe and healthy working conditions, in so far as is reasonably practicable.
- Advise all involved of the health and safety standards of their work by instruction, training, information and supervision to ensure that all understand, and are able to fulfil their individual duties, including their duties to: co-operate and act responsibly and to do everything to prevent injury to themselves and other persons.
- Provide all necessary safety devices and protective equipment and to supervise their use.
- Ensure all employees are aware of hazards and hazardous materials at their workplace.
- Continually develop and improve its health and safety policies, practices and performance, by routine monitoring, maintain awareness on all matters relating to health, safety and the environment to ensure the efficient and safe conduct of the business.
- Encourage participation and involvement by all involved, to consider ways and means to improve health and safety of the environment.

The company regularly monitors its policy's performance and implements any appropriate improvements.

Signed

Colin Campbell
Operations Director
